## What can I sell?

Our stylish, high quality stainless steel 'lifebottle'.

## What are lifebottles?

- ▶ High quality stainless steel re-usable bottles.
- ▶ Designed with style and durability in mind.
- ▶ Made of high quality stainless steel, (not plastic) and able to last a lifetime.
- ▶ Twin wall with vacuum insulation - the drink will stay cool (or hot) for up to 20 hours.
- ▶ Unique cap with a special compartment for storage of our flavoured effervescent taptabs (for those who don't want just plain tap water).
- ▶ Ergonomic 'kissable' lip
- ▶ 6 colours and 4 sizes to choose from.

## What makes the lifebottle different from other re-useable bottles?

The bottles have a unique lid with worldwide patent protection, exclusive to the lifebottle. The lid contains a special compartment for storage of our effervescent flavoured tablets (taptabs). The bottles also have a twin wall with vacuum insulation which keeps the drink cool for up to 20 hours.

## How much does it cost?

The lifebottles start at rrp £12 with wholesale prices offered to stockists. Please contact us directly for details on wholesale prices.

## What sizes are available?
